

HEALTH CARD BENEFITS — AT A GLANCE

Internal advisory to employees • Specimen copy

Beginning 01 April 2026 our health card provider is Maxicare. Your card will be distributed through your department head. Please keep the details below for reference.

What you get	Details
Plan	Silver
Maximum Benefit Limit	PhP100,000.00 per illness, per year
Room and board	Semi - Private
Dependents	May be enrolled at your own cost through HR
Effectivity	01 April 2026
Hotline	(02) 8000-0000 (specimen number, not in service)

Before any admission or laboratory test, call the hotline for a Letter of Authorization. Walk-ins without one may be asked to pay first and claim reimbursement afterwards.

PhilHealth is applied first, then your card. Please make sure your PhilHealth contributions are up to date — if PhilHealth denies your claim, the amount they would have paid is charged to you, not to the card.

For the complete schedule of benefits, exclusions and pre-existing condition rules, request the benefit booklet from the HR Service Desk.

This specimen was generated for software testing. It confers no benefit, represents no contract, and states no organisation's actual terms.
